THE HISTORY OF THE CLASS OF 1979

When the class of 1979 entered the halls of Rossville Comprehensive High School, they knew little of what was to be expected of them. As freshmen, we were introduced to four years of academic studies, and one year of "Yes Sir," "No Sir," to upper classmen. But, like all other freshmen, we somehow survived through these four years, and by the end of senior year all of us have no doubt collected many memories. Tonight, these memories, whether they be the endless blank, blank, blank, of a history test, or the last-minute excitement of a touchdown at homecoming, have all become the history and the promise of the class of 1979.

Freshman year brought about many changes for our class. With Steve Elrod as President, and Terri Hasty as Vice-President, the class of 1979 made its way along the crowded halls of RHS. As bicentennial freshmen, we showed our spirit in Rossville by becoming involved many extra-curricular activities, clubs and interest groups. The year 1976 brought about the return of the Pom Pom Squad, with three members of the freshman class as representatives. Miss Julie Reagon represented the freshman class at homecoming, the Band won first place at Bristol, freshmen were involved in B-team and freshman athletics, and no doubt, many a freshman broke out the red lipstick or the vitalis for Grafetti day.

For many freshmen, the first pep rally was quite an experience. Freshmen were trampled on, stumbled over, and screamed at, and when they asked everyone to sing the "Alma Mater" we were petrified because no one knew the words. But, after a couple of weeks, we finally grew accustomed to it all. The Flag Corp and Color Guard, the Majorettes, and the Junior Varsity Cheerleaders displayed our freshman spirit at the football games and pep ralleys and voiced our interest in sports.

When sophomore year arrived, the class of 1979 was ready to become involved again. President Chris Watkins and Vice-President Steve Elrod led the sophomore class as "Pride Runs Deep" was introduced as the theme for Rossville High in 1977. This year was to be the first year of the Student Council. This organization in student government allowed students and the administration to work together in the interest of all. 1977 was the first year of Career Day, and the Key Club — J.E.'s Basketball game. The Literary magazine "Blitz" was published in this year with many talented writers of poetry and short stories. All of the sophomores picked on the freshmen because of their ridiculous freshman buttons, and everyone was buying candy from the Band, who sold M.M's, and M.M's, and M.M's, so the Band could buy new uniforms. And, as always, every sophomore was confused about buying their senior rings.

By the time Junior year rolled around, the class of 1979 had established itself as worthy of recognition in the traditional spirit of Rossville High. "Be Rossville" was the theme for the year 1978, and no doubt in that year our class showed its outstanding Rossville spirit in many ways. The first of these is the exceptional Junior Spirit shown in the "Yell-Out," when the Junior class was voted the best and NO. 1. Secondly, the class of 1979 showed its good will and Christmas cheer in the Christmas party given for the needy children. And last but not least, the class of 1979 showed its outstanding, exceptional, and superior Bulldog spirit by surviving an epidemic of "Super Crunch," and the deadly "Almond Log Roll," not to mention the debut and highly praised performance of "Super Chocolate." All proceeds of these candy sales went to the school for remodeling.

The class of 1979 undoubtedly showed its wide range of talent in 1978 by performances such as "The Bat," by Thespian Troupe #392, the Spring Concert given by the Bulldog Band, and the spring performance that brought this wide range of talent all together, the "Bulldog Revue."

Talent was also recognized in writing in the staff of the Bulldog Review, the school newspaper. This paper, beginning publication in 1978, has been a great asset to the school through its articles, stories, and art.

The Junior-Senior prom theme was "A Time For Us," with entertainment provided by "Blaze." The Football Homecoming Queen representative was Miss Julie Reagon. Chris Watkins was President of the Junior Class, and all the football players went through the torture of the Y-Teen slave sale. Junior's had 5 minute lunches because they fought over a chair for the other 25 minutes, and C lunch was not worth the time and effort because there was nothing left in the machines.

And finally, the most memorable and fulfilling year, 1979, Senior year.

Perhaps the perfect example of any typical senior would be the diligently studious senior who comes to registration with long hours of an excellently prepared academic schedule, and winds up with 6 study halls, and spends his entire senior year behind a coke and potato chips in the cafeteria.

RHS Seniors were greeted at the beginning of their most memorable school year with high fences and a security guard, boarded-up windows and a broken elevator.

Senior Class Officers for the year 1979 were:
Chris Watkins: President
Renea Wood: Vice-President
Patti Young: Secretary
Karen Lowrance: Treasurer
Vikki Alligood: Social Chairman

No doubt, senior year will be long remembered. In football, our Bulldogs had a great season, defeating Lakeview 21-0, Notre Dame, 14-7, and the most outstanding of all games, Rossville vs. Dalton, when the Rossville Bulldogs conquered the Dalton Catamounts, 17-7. For this triumph, the Rossville Bulldogs were awarded the WFLI and North Georgia Toyota Team of the week for October 2-6. The following Monday, in celebration of this victory, students and teachers made their way around angry motorists and screaming truck drivers in a spirit-building Snake Dance to the Duck Pond. The theme "Together We Can" for the 1979 school year is no doubt very appropriate.

Our senior football players will be long remembered. They are Roger Clark, Dale Hendricks, John Crawford, Darrel O'Neal, Tom Reagon, Andy Simmons, Leonard Stotts, Scotty McNabb, Dennis Rhea, Bruce Robins, Lamar Harris, Ray Gleffe, Ronnie Pence, Calvin Clark, Kyle Day, Bruce Eakin, and Robert Lunsford. Football scholarships have been awarded to Roger Clark at the University of Mississippi, Andy Simmons at Mars Hill, and Lamar Harris At Tennessee State.

Homecoming 1979 was undoubtedly very special to all seniors. Homecoming Queen candidates were Miss Vikki Alligood, Miss Sabra Nichols, and Miss Julie Reagon. Homecoming sponsors and their escorts represented the senior football players. Miss Vikki Alligood was crowned queen for the 1979 school year.

Our senior cheerleaders for the 1979 school year were Vikki Alligood, (Head Cheerleader), Crystal Anderson, Sherry Reeves, and Julie Reagon. These cheerleaders have shown outstanding spirit throughout the year and deserve great recognition and appreciation. Also, the Flag Corp, Color Guard and the Majorettes no doubt deserve recognition for their participation and support in fall sports, and throughout the year.

Rossville is very lucky to have a talented group of people that support the Bulldogs tremendously with their musical efforts. The Rossville High School Bulldog Band has received superior ratings in all band competitions and performances in the year 1979, ranking a no. "1" at Bristol, and the Georgia District 7. They support the Bulldogs during football season, in District 7 and State Competitions, and in their outstanding performances in the Christmas and Spring Concerts held at the school. They are responsible for all music at pep sessions and at other activities. No doubt, the senior members of the RHS Bulldog Band carry with them many memories.

The winter of 1979 brought about Basketball for the senior Bulldogs. The season was good, and memorable for the senior players. In boy's basketball, Randy Wilkes, Kyle Day, Dale Hendricks, Gardel Johnson, and Mike Glad, represented the senior class, and scored many points for the team. Basketball Homecoming Queen candidates were Miss Pam Roden, Miss Sabra Nichols, and Miss Tami Gaines. Homecoming sponsors and their escorts represented the senior basketball players. Miss Tami Gaines was crowned queen in the year 1979.

In Girl's Basketball, the season was well played due to the talented efforts of these senior girls; Tami Gaines, Stacey Hudson, and Pam Roden.

With the basketball season, the Rossville Bulldogs were represented by a talented group of girls, the RHS Pom Pom Squad. Miss Robin Kerley, Captain, and the only senior member, deserves special recognition as it was she who created the dances, co-ordinated the steps, and gave Rossville something we can be proud of.

When the snow is on the outside, Modern Dance flourishes on the inside. Miss Kenda Harris, undoubtedly the most outstanding performer in the team deserves special recognition for her talent and creativity in dance.

This year's wrestling season was outstanding also. The season finished with a 7-3 win. The Bulldogs placed third in the Ringgold Invitational and fourth in the Northwest Georgia Tournament. This year's senior wrestler was Darrel O'Neal.

In spring sports, our Bulldogs had a good baseball season. Senior players Steve Elrod, Andy Simmons, and Randy Wilkes were the highlight of this year's games.

In one of our younger sports, the Tennis team has progressed very well these past few years, and can claim some very talented senior players.

Brett Pelham, Tim Howell, Kenny Seagroves, Roger Clark, and Stacey Hudson were the spotlight on this year's boy's and girl's track teams. On April 4, the new track field for Rossville High was dedicated and named in honor of the Borg Corporation. This will be the first track field at Rossville High and will no doubt give the home team a great advantage.

Another group of very talented people are new to Rossville High. These people have entertained the school and the community throughout the year, with special programs at Christmas and Easter. Three senior members of this group, Chris Watkins, Renea Wood, and Darrel Alexander, were selected to be mentioned in the Who's Who in Music. Miss Alice Springer is the director, and Mrs. Mary Ruth Hull is the accompanist. At the first of the year they had 21 members, and now their new and exciting group has grown to 39 members strong. They are known as our "Singing Bulldogs" and we are very proud of the hard work and long hours that they have put in for our enjoyment.

Many seniors were active in clubs and interest groups this year. Clubs such as the Junior-Senior Y-Teens attracted many seniors, and interest groups ranged from Classical Music to Skeet Shooting.

Representative of the senior membership are these seniors who served as presidents of clubs:
Beta Club: Miss Melody Vann
Bible Club: Miss Patti Young
FBLA: Miss Kristy Brock
FCA: Darrel O'Neal
GAL: Miss Pam Roden
J.E.'s: Steve Elrod
Key Club: Doug Russell
Medical Club: Miss Denise White
Pep Club: Miss Terri Hasty

This year a new club has been founded. As a branch of the Lions Club of Rossville, the Leo Club of Rossville High is a service organization to the school. Mark Siedlecki is president.

The Rossville High School Junior-Senior Prom was held at the Hamilton County Park Pavilion. Unfortunately, the band did not show up, and entertainment was hard to come by. They finally did show up, but by that time everyone was too tired to dance.

The year 1979 was the year of the nuclear crisis, the gas shortage, and "Le Freak." It was the year that every senior caught the dreaded disease "Senioritis" with everyone checking out at the end of second period and going to the lake. And college applications, SAT scores, and scholarships were on the minds of many seniors.

Now as this year comes to a close, many seniors are recognized for their academic achievement during the past four years.

Brett Pelham — National Merit Scholarship Winner. This is indeed an accomplishment for Brett and for Rossville High and we give him our congratulations.

The following graduates are recognized for their academic success in the past four years. They are listed according to rank, and are on the **Star Roll,** maintaining an "A" over-all average.

Tonight, June 4, 1979, we have shared many memories of the past four years. These years have been full of laughing, loving, and living. If it were possible to bring out every honor, every activity, and every person, I would have. I have tried to include as many people and activities as possible, and I hope that I have not left out anything. There are some seniors who tonight will go unmentioned by name. But, every one is important. Without that one person who cheered at a football game, or that one individual, that one special friend, the Rossville High School class of 1979 wouldn't be the same. These memories, this history, includes everyone and everything that we as a class have done in the past four years. I thank God for the times we've shared and I pray for the future and for every one of you here tonight.

We, as Seniors, have the chance to make our history and this country great. We have the opportunity to change things for the better, to improve, to dream, and to accomplish. These past four years have been our history, and the remainder of our lives is our promise.

Thank You.

I have really enjoyed working with the Yearbook staff. There were times when things got really rough, but those are the things editors have to put up with. A Yearbook is a book that captures the memories of a person's high school years. I've tried my best to make this annual an enjoyable annual for everyone.

Co-Editor,

Cherie Crabtree

Cherie Crabtree

Working with the staff this year as one of the co-editors has really been a challenge. There were times I felt like throwing up my hands and quitting, but I thought of what that would accomplish. Nothing. So instead I got my wheels rolling and got into high gear to finish the task I had started. This book is the outcome so I hope everyone enjoys their **Roines,** especially the seniors since it will be a book of memories!
